Intelligent Nutrition for the Purebred Dog™

**ROYAL CANIN**
BREED HEALTH NUTRITION™

Poodle 30™

For Poodles over 10 months old

Did you know?

The Poodle clip is not merely decorative (though it may seem that way now); it is in fact a necessary clip meant to protect the joints and vital organs in cold water.*

Custom kibble

Encourages chewing for better dental hygiene.

Poodle Specific Need	Poodle 30™ Nutritional Solution	Benefit for Poodle
 <p>Protection of Fine, Curly Coat</p>	Omega 6 & 3 fatty acids and optimized protein content support hair growth and nourish the coat.	Protects the coat and helps prevent hairs from becoming brittle and breaking.
 <p>Cognitive Support</p>	Formulated with vitamins C & E, green tea polyphenols and taurine to prevent cellular degeneration.	Helps to preserve cognitive function and sensory acuity.
 <p>Healthy Vision and Cataract Prevention</p>	Formulated with lutein and zeaxanthin, which can help neutralize free radicals.	Protects against free radicals that damage eye cells and can contribute to cataracts.

Intelligent Nutrition for the Purebred Dog™
